## Introduction

This release has included 2 changes to the system under CR093, CR094. These are:

- Liberty Create 2025.1 upgrade
- GEMINI email domain update

For any additional information please contact the GEMINI Helpdesk  
[GEMINIHelpdesk@Ecliptic.tech](mailto:GEMINIHelpdesk@Ecliptic.tech)

## Changes

### Liberty Create 2025.1 Upgrade

Impacted: Carriers & Experts

GEMINI has been upgraded to Liberty Create version 2025.1 up from version 2024.1. This ensures GEMINI remains in support, as well as granting access to many new tools to be implemented in future change releases.

### GEMINI Email domain update

Impacted: Carriers & Experts

All messages out of GEMINI will now be sent from [no-reply@ecliptic.tech](mailto:no-reply@ecliptic.tech) (previously from [gemini@advent.claims](mailto:gemini@advent.claims)).

Note: As part of this domain change, it is possible that your mailbox will redirect mail to a different folder. For Outlook users in particular, please ensure that you check both your “Focused” and “Other” inboxes for mail from GEMINI. If you have any issues with emails received from GEMINI, please contact [geminihelpdesk@ecliptic.tech](mailto:geminihelpdesk@ecliptic.tech).
